FROM THE PRESIDENT

Some call our retirement years the “The Golden Years”; myself I call them the “Speedy Years” because just yesterday I was celebrating New Years.

There are several things happening that affect the Association this year, mostly that our 39th is being reactivated and will now be part of the 2nd Brigade 101st Airborne Division Air Assault stationed at Fort Campbell, KY. When the 39th ENG BN (CBT) Alumni Association first formed back in 2001, the membership was all Vietnam veterans and we have pretty much continued that way other than a couple of years ago when we made the few remaining WWII veterans whom had served with the 39th HONORARY MEMBERS. Along the way, we have had a few members from the 50’s and the Fort Devens era join our ranks which is when we dropped Vietnam from our name. We continue to grow and look forward to our new Brothers joining our ranks. I am proud to say that all have received the proper welcome and, as an Association, we should feel proud of our contribution to the legacy of the 39th no matter when or where we served. The reactivation of the 39th will take place April 16, 2015 at Fort Campbell; I have sent out by e-mail with the hotel and other information with hopes some of you may be able to attend.

Another thing that we are involved in is the “50TH ANNIVERSARY OF THE VIETNAM WAR WELCOME HOME CEREMONY”; as approved by the DOD, this celebration will run from 2015 thru 2025. The Association to be a member of this is required to have at least 2 functions each year which our annual reunions cover half. I have found myself

on the planning committee for the ceremonies to be held May 9, 2015 at the Naval Air Station Fort Worth Joint Reserve Base representing the 39th to complete the requirement. It is my hope that members who live close to the Fort Worth/Dallas area may be able to attend; a flyer is included in the newsletter.

Of course, the 2015 reunion is coming up this October 1st thru 5th in Norfolk, VA. And, as always, we are hoping for a great turnout; Gale will give more information in this newsletter. One thing that will be happening during the reunion is nomination and election of officers as the standing officers 2 year term will expire.

Because we served with the 39th, we are automatically members of the Association. However, it still costs us to operate such as mailing, printing etc. The monies in the general fund are used to curtail the cost of certain events during our reunions which help all our pocket books. It would be of great help if annual dues were paid or even become a LIFETIME Member.

There has been some conversation about the Association having a Challenge Coin and one of our members from the 90’s has sent me a picture of the coin he received at Fort Devens. This is an interesting idea and one that we are researching with our members in hopes of possibly finding someone who could produce them; this would be a great handout at one of our future reunions if the cost is not prohibitive. As with any purchase using the Association’s money, it has to be cleared through the Executive Board which is the association officers before any action is taken. We will keep you posted as we find out more information.

It is with great sadness that I pass along the loss of two of our Brothers and loyal lifetime members:

Al Bornmann, A & B Co, also HHC, 68-69.

Passed Feb. 17, 2015.

Frank Vosenilek, HHC, 71, former Chaplin for the Association. Passed Feb. 17, 2015.

Please keep our Brothers' families in your prayers; they will be missed more than we ever let them know.

**BROTHERS THEN, BROTHERS NOW,
BROTHERS FOREVER**

VICE PRESIDENT'S REPORT

Hello my Brothers and Sisters of the 39th Combat Engineer Battalion Alumni Association. It seems that time is flying by. Wow, only 7 months plus a few days before our Reunion comes around again - this time in Norfolk, VA. I guess time is going by so fast for me for 2 reasons. One, because I am always ready to see all you Blue Bulls again and two, being the old factor. Seems like the older you get, the faster the time goes by.

I'm going to tell on myself and say, "Wow, I had my 69th Birthday the 16th of Jan, 2015." It's been 48 years since I left the 39th in 1967. Where did it all go? I'm just so very glad that I can spend some of what time God gives me on this earth with a bunch of the best Combat Veterans anyone could have the pleasure to know and to have served with.

Shirley and I are at present in Orlando, Florida. We are taking a break from Arkansas cold weather and also trying to kick back a little. On Saturday, the 7th of Feb., we are going to check out of our hotel and plunge deeper into central Florida. We are going to a place called Okeechobee, Florida. Now for the benefit of those of you that don't know, Okeechobee, Florida is where Donald Boney and his wife Donna live; also, Gwen and our main man "Tuff". Wow, sure am looking forward to seeing those guys.

This, my Brothers, is something that would not have happened if it were not for the 39th Reunions.

Now for a big "Blue Bull Welcome" to our New Members and Lifetime Members; it is with great pleasure we welcome you to the Association.

NEW MEMBERS:

LIEFTIME MEMBERS:

Here we are, closing in on the 2015 reunion in Norfolk, VA and we expect this to be an interesting and enjoyable gathering once again. I am looking forward to renewing friendships and meeting some first time attendees.

We are being offered the same rate for 3 days prior and 3 days after our event based on availability, so if you are planning to spend some extra time in the Norfolk area, be sure to reserve early. If you have any difficulty getting rooms for extra days, make your

reservations and then please contact me and I will attempt to get your room at the quoted rate for your additional days.

A little info about our hotel:

You will find many restaurants and shops to keep you busy for an entire day, if your money holds out, that is. Every room will be a harbor view overlooking some of the attractions that we will be visiting as well as the naval armada. Parking is a premium in the downtown area and can cost upwards of \$25 per day but with your reservation comes FREE valet parking with in and out privileges at no cost for those who plan to do some independent sightseeing. Our hospitality room will be located just off the lobby with easy access to the hotel restaurant and city light rail is just out the front door. Every room has free wifi and the hotel is pet friendly.

All five hangars will be open for guided tours. There will be WWI planes, food vendors, musical entertainment from 10 am, and you can shop for memorabilia all day long. There will also be over 150 re-enactors on site, representing all theatres of WWI-era operations. Interact with friendly Allied troops at their encampments.
