

Delta Company 39th Engineer Battalion (CBT)

12 December 2010

SUBJECT: DELTA COMPANY, 39TH ENGINEER BATTALION (CBT) REUNION

Bottom Line UP Front (BLUF): Do we want to get together this coming year someplace, or do we want to share time with the 39th Engineer Battalion (CBT) Association Reunion at Fort Leonard Wood, Missouri this fall (September).

At Lima we discussed our desire to come together somewhere next year, and I am investigating places that are easy to get to and close to as many of us as possible. In addition the 39th Engineer BN Association is planning the next reunion at FT. Leonard Wood where most of you took Basic and AIT Training, in conjunction with the dedication of a Battalion Plaque in the Engineer Regiment Room at the Engineer Museum in September. The enclosed letter is about that effort.

As I continue to look at locations I need your feedback. Where would you suggest we meet, and would you attend if you can drive, and would you attend if you had to fly? My first cuts on sites are Nashville, Charlotte, Atlanta, St Louis, New Orleans, Dallas, and Washington D.C. The 39th Association will have its 2012 Reunion in Washington for the 30th Anniversary of the Wall. Please send comments to me via email at slick77@cox.net, at 10 Jacklyn Circle, Hampton VA 23666, by phone at:

(757) 838-5654 (h),
(757) 344-7371 (c), or
(757) 788-3595 (w) (Tue-Thur).

The Association has a new website up at; <http://www.39thengrbn.com/>. There are opportunities to populate the site with photos and stories, and I know each of us has photos of where we were and what we done that are appropriate for the site. Please look at it and do what you feel is right for D Company!

Let me know of preferences or additional locations for us as well as considering the Ft Leonard Wood experience.

FOR THE COMPANY COMMANDER:

James F. Shamblen
